

All American Floors
Installation, Sanding & Refinishing Hardwood Floors
Quality Craftsmanship at Affordable Prices

I would like to give you some background info about our company. All American Floors is a locally owned family business. Adam has over 15 years of experience in the hardwood flooring industry. We are trying to get our name out there and build up our clientele. The most important thing to us is customer satisfaction, and we take great pride in the work we do. We guarantee our work 100%.

Any job can be customized to your specifications. Standard pricing includes: sanding, your choice of natural or stain, and 3 coats of polyurethane. Stain can be professionally mixed to match new flooring or replacement boards with existing floors.

We are licensed and insured with liability and workers compensation insurance and will provide references upon request. Estimates are always free, and our pricing is competitive. We work in new construction as well as remodeling, and residential as well as commercial.

We would really like a shot at doing work for you. Please contact us by phone at 434-760-4679 or 434-974-5800 or email us at slikofloors@hotmail.com. We look forward to hearing from you!

Sincerely,

Adam & Allison Sliko
